Dear Sirs:

Re: Open Dumping of Solid Waste
Waterworks-Baumbauer Road
Wabash County

On January 30, 1986, Mr. Christopher Oppy of this office inspected the above-referenced site. The inspection revealed that open dumping is taking place on this property which is in violation of the Indiana Solid Waste Disposal Law, IC 36-9-30, and the Environmental Management Act, IC 13-7. The site also is in violation of Federal criteria promulgated under the Resource Conservation and Recovery Act of 1976.

Therefore, all dumping must cease immediately and it is recommended that access to the site be limited to discourage further open dumping. The solid waste presently on-site shall be:

1. Collected and hauled to an approved sanitary landfill; or
2. compacted and covered with a minimum of two feet of suitable cover soil, graded to prevent ponding of water, and seeded to provide vegetation.

A follow-up inspection will be made in approximately 30 days to determine compliance. Failure to comply with the provisions of this notice will subject you to legal action by the State of Indiana.

If you have any questions about this action or about your obligations concerning this matter, please contact either Mr. Oppy or me at AC 317/243-5037.

Very truly yours,
